

MOB'S BLOODY WORK BEGAN EARLY TODAY

A Priest Was Among Those Viciously Attacked by Hoodlums.

Talk of Calling Out State Troops—Scores Lie Badly Injured in the Hospitals.

Chicago, May 3.—Blood began flowing early today in the Chicago riot-ridden streets.

Sluggers armed with hickory canes and brass knuckles and black jacks, made indiscriminate assaults on citizens.

Within two hours after dawn, eight men had been badly beaten, one a Catholic priest who had just administered the last rites for the dying to another victim of the slugs.

While his negroes, imported from southern cities, were beating citizens with clubs and bludgeons or slugging them with knives, Frank Curry, who had his head cracked with a brick thrown at him yesterday, lies in a critical condition and physicians are almost despairing of his recovery.

Father Reilly, who was assaulted, had attended Thomas Atkins and was terribly beaten by six negroes in an alley.

Four other men were beaten by the same gang, all of whom were arrested.

Three of the victims will probably die.

Provisionary arrangements are completed for carrying out orders, which may be received, calling out state troops.

The strike situation assumed a peculiar aspect last night and interests which have been opposing the striking teamsters are not as united as the Team Owners' Association, which has contracts with railroads and many large firms throughout the city to transfer merchandise.

The Team Owners' Association, which employs none but union teamsters, flatly refused yesterday afternoon to make deliveries to any of the firms now involved in the strike, when ordered to do so by the Employers' Association. When the employers received this ultimatum they notified the Team Owners unless request that no discrimination be made in deliveries, efforts would be made to have all existing contracts between the team owners and business houses and railroads cancelled. These amount to millions annually.

The railroad men, contrary to the hopes of the Employers' Association, did not exert the influence on the Team Owners that was expected. They took practically the same stand, declaring the fight was something into which the railroads did not properly enter, that they had contracts with team owners, that these contracts were at present being fulfilled to their entire satisfaction and they could see no reason why the railroads should be dragged into the struggle.

During the day the employers had informed Mayor Dunne and Chief of Police O'Neil that they intended to move 1,885 wagons owned by them and the different express companies and manned by nonunion men. This necessitated the call for arming 1,000 additional policemen, but after a conference at the Union League club, the employers modified their plans and informed the officials that they would only increase very slightly the number of wagons over that in service yesterday.

Judge Kohlhaas, of the United States circuit court, at the request of attorneys representing the express companies, issued a temporary injunction restraining all persons from interfering with the wagons of petitioners or men employed upon them.

Fighting in the streets was more fierce and savage yesterday than Monday and rioters attacked nonun-

ion men at every opportunity, assailing them with bricks, stones, clubs, knives and any and every other sort of offensive weapon upon which they could lay their hands.

Fighting occurred in the heart of the business section of the city, men being shot within two hundred feet of the retail store of Marshall Field & Co., and clubbed nearly to death at the corner of the Auditorium hotel in plain view of hundreds of ladies who were compelled to run from the mob to save their own lives. In many instances men walking along the streets who had no active connection whatever with the strike were assaulted by hoodlums who beat them first and later accused them of being strike breakers.

As far as known but one man was killed during the day. The list of injured is much greater than that which it is possible to obtain. In many cases nonunion men swung their clubs with great effect, knocking men from their wagons heading into the street. In other instances, when assailed by mobs, they fired point blank into the crowds and it is difficult to see how members of the mob could escape many broken heads or how all bullets fired during the day should have gone wild.

The dead man is Charles Beard, who was struck on the forehead in a fight near the Auditorium hotel. He died of a fractured skull at the Mercy hospital, where he had been taken.

Among the injured is Frank Curry, leader of the nonunion men who was struck in the head by a stone while conducting wagons along Franklin street.

But Givies and Paul Haglan, drivers for the United States Express company were attacked by a crowd on the west side while making deliveries. They used a revolver in two attacks made upon the wagon and wounded four men, one of whom Albert Melville, may die.

Givies and Haglan were arrested. While holding the men under custody an enormous crowd gathered and was determined apparently to assassinate the prisoners. The officers drew revolvers and with great difficulty kept the crowd back until the arrival of the patrol wagon which took the prisoners to the police station.

During a riot last night at Halsted and Erie streets, which lasted for an hour, and in which fully 1,000 people were engaged, three policemen and three nonunion men were injured, and twice as many rioters were clubbed. An attempt was made to deliver coal in that section.

The wagons and police escort were repeatedly attacked and finally both the police and drivers drew revolvers and fired several times over the heads of the crowd. The mob gave way and the police dispersed it.

Each express wagon sent out today was provided with a guard who carried a Winchester rifle. The number of wagons in use by the express company today was 162. A riot occurred near Union Station when strike sympathizers attempted to stop express wagons. At the flash of revolvers the crowd scattered.

Negro Strikebreakers Refuse to Work Chicago, May 3.—The police report that many negro strikebreakers refused to go to work this morning. They say they will not be caught here in a fight among white men for two dollars and a half a day.

Only six hundred wagons were sent out this morning, instead of the eighteen hundred as planned.

NEW AMBASSADOR RECEIVED AT PARIS

Mr. McCormick Received in Fitting Style.

The French Capital a Scene of a Brilliant Demonstration That Occurred Yesterday.

SOME COMMENT FROM LONDON.

Paris, May 3.—Ambassador McCormick was received by President Loubet yesterday with that military pomp which traditionally marks an ambassador's first meeting with the head of the republic.

The ambassador's party was escorted by a squadron of cuirassiers, attracting throngs of sightseers. Arriving at the palace of the Elysee a brilliant picture was presented by long lines of infantry making a complete circuit of the palace courtyard. As the ambassador's party drove within the circle of infantry the band took up the American national anthem, and the French tri-color was dipped in salute.

The reception occurred in the salon Des Ambassadeurs, where President Loubet was assisted by Foreign Minister Delcasse and a number of officials. In presenting his credentials McCormick spoke of the century's friendship uniting France and the United States in an alliance more enduring than that of treaties. He referred also to the recent closer feeling of friendship between France and the mother country of America. These feelings of friendship, he said, were of the greatest benefit to commercial and pacific interests, which are those of the progressive world.

President Loubet, replying, said France had no prouder heritage than her participation in the work which brought the powerful American nation into being. More than a century's test had not been able to interrupt the friendship first established. As McCormick withdrew the American anthem was again heard and the party was escorted with military ceremony back to the American embassy.

A Significant Speech.

London, May 3.—The correspondent at Paris of the Times comments upon the importance and significance of American Ambassador McCormick's address to President Loubet, and says his reference to the Anglo-French entente is perhaps one of the weightiest expressions of American feeling which has been forthcoming for some time past.

GOVERNMENT BONDS Considered By State Board In Assessing National Banks.

Frankfort, Ky., May 3.—The state board of valuation and assessment has determined that it would base the value of the shares of stock of national banks for the purpose of taxation this year on the total amount of the capital stock, surplus fund and undivided profits after deducting the value of real estate held by the bank.

This method does not provide for deduction of the government bonds held by the bank, which attorneys representing a number of these institutions contended for on the idea that they should be deducted as non-taxable securities of the state banks in arriving at the value of their franchise.

The assessment of national bank shares in the hands of the bank is being made this year for the first time by the board of valuation and assessment instead of by the local assessors. The assessment is made under an act of the last general assembly session.

CAN'T BE ENJOINED

From Paying the \$50,000,000 Appropriated For Canal.

Washington, May 3.—The court of appeals of the District of Columbia has decided that the secretary of the treasury cannot be enjoined from paying the \$50,000,000 appropriated by congress for the purchase of Panama canal property.

The decision was rendered in a suit brought by Warren H. Wilson, of Chicago, who attacked the act as unconstitutional.

Holds Parlor Cards Gambling.

Guthrie, Okla., May 3.—In a written opinion given to the ministerial alliance of Hobart, Prosecuting Attorney Connor of Kiowa county, holds that women playing cards in their parlors for prizes are violating the gambling laws, but indicates that he will not punish them for the offense.

FOURTY-EIGHT REPRESENTATIVES IN THE ASSEMBLY

Washington, May 3.—In the presence of members of the cabinet, the supreme court, diplomatic corps, and other high government officials, as well as eight hundred delegates to the international railway congress representing forty-eight nations of the world, the railway appliance exhibition formally opened today. The principal address was made by Secretary of the Navy Merton.

MUST GO TO COLON.

Illinois Central Notified as to Point Where Shipments Are to Land.

Chicago, May 3.—John F. Wallace, chief engineer of the Panama canal, said today to officials of the Illinois Central railroad that an order would be issued stating that hereafter all deliveries of shipments from this country would be at Colon.

This order, it is said, will open the door to western and southern manufacturers enabling them to enter into competition for the supplies needed in the canal zone. This order regarding delivery will make New Orleans a shipping point and passenger rates to the isthmus via New Orleans will be on a parity with those from New York.

OUT OF BANK.

Water Stands Foot Deep In Brazos Bottoms From Hearn to Richmond.

Houston, Texas, May 3.—The Brazos river is going out over the bottoms all along the valley from Hearn to Richmond, and is rising slowly at the latter place. The water is a foot and a half deep in the town of Columbia near the mouth, and has spread out over a considerable area of farm land. The damage is greatly lessened by the warning, which enabled the farmers to get their stock out, but the loss to cotton and corn will amount to many thousands of dollars.

The other rivers are apparently at a stand.

WILL VISIT CINCINNATI.

Miss Alice Roosevelt to Make Two Weeks' Stay in Queen City.

New York, May 3.—Miss Alice Roosevelt has accepted an invitation to make a visit in Cincinnati with Mrs. Longworth, mother of Representative Longworth.

The visit of the president's daughter will extend over two weeks, and Cincinnati society people are already making preparations for social entertainments in her honor. Representative Longworth himself will give a luncheon for her at the country club.

MR. CORTELYOU

Said to Have Accepted Presidency of the Equitable.

Washington, D. C., May 3.—Postmaster General Cortelyou is said to have accepted the presidency of the Equitable Life Assurance Society, in spite of official doubts.

He is said to be acceptable to both factions in their fight for control.

PRESIDENTIAL CLASS

For the Postoffice at Sebree, Kentucky.

Washington, D. C., May 3.—Harry Westerfield has been decided upon for postmaster at Sebree, Ky. The business of the office has grown as the office will soon be put in the presidential class.

JEFF TO GO INTO BUSINESS.

Cincinnati, O., May 3.—James J. Jeffries, champion heavy weight pugilist has decided to retire from the prize ring and the stage and go into business with his brother in California.

RUSSIAN SHIPS ARE BOUND FOR HARBOR

Where They Have Stored Big Supply of Coal.

More Talk of Peace—Russians Reported to Have Captured British Ship.

A TOUCHING ARMY INCIDENT

Hong Kong, May 3.—The British steamer Woodford reports seeing a Russian volunteer cruiser and some German vessels taking coal and provisions in Saigon Bay. The Woodford's officers say that thousands of tons of coal are stacked along Saigon river for the use of the Russians.

A Touching Incident.

Gansu Pass, May 3.—A touching incident occurred during the Easter celebration here. After the morning service all the troops in the region around headquarters were drawn up in line before Gen. Linvitch's tent and the commander-in-chief came out, greeted the troops and passed down the line saluting each and every soldier with a kiss. All the men were much moved, and many of them wept. The incident served to increase their boundless worship of the old gray leader.

Gen. Linvitch continues energetically the reorganization of the various departments of the armies.

Staff Captain Shoubersky, who has returned here after making a reconnaissance on the Mongolian frontier, reports that thousands of Chinese bandits under Japanese leaders are moving beyond the border.

Japanese Loan Tabulations.

Tokio, May 3.—The tabulations of the subscriptions to the fifth loan of \$50,000,000 have not yet been completed, but there are indications that the entire loan has been placed at a premium. It is evident that some of the larger interests were temporarily withholding their subscriptions in order to obtain part of the loan at the best possible rate.

Captured British Steamer.

Kobe, May 3.—It is reported that the Russians captured the British steamer Planet Venus, which sailed from Antwerp February 25 for Yokohama, and reported at Colombo, Ceylon, April 5.

Destruction of Russians.

Tokio, May 3.—It is rumored that the destination of all the Russian fleets is Petropavlovsk, on Kamchatka Peninsula, in Northwestern Asia. The Russians it is stated, have been accumulating coal there.

Peace Hymns Aged.

London, May 3.—The Tokyo correspondent of the Telegraph says: "A diplomatic representative of one of the great powers closely connected with the war says that it is undeniably true that President Roosevelt is endeavoring to make peace as soon as possible."

JULY 10TH

Is the Date Set For Cate Powers' Next Trial.

Georgetown, Ky., May 3.—July 10 was today fixed as the date of the trial of Cate Powers. On that date the defense will file a petition to transfer the case to the federal court of Eastern Kentucky.

A petition for the removal of the case to federal court was filed this morning, but Judge Stott desired to wait until July 10 to decide.

ALMOST A MILLION.

Is the Loss in a Fire at Springfield, Illinois, Today.

Springfield, Ill., May 3.—The plant of the Springfield Boiler Manufacturing company burned this morning, loss three hundred and fifty thousand dollars. If valuable government contracts are figured in the loss will be almost a million.

UNLUCKY HRYAN

Father-in-Law Dies and One of His Houses Burned.

Lincoln, Neb., May 3.—John Baird, father of Mrs. William Jennings Bryan, died this morning from the infirmities of old age.

A house on Hryan's Fairview farm burned this morning and the overseer's family narrowly escaped.

Theodore Hallam.

Covington, Ky., May 3.—Theodore Hallam, the well-known attorney, who had been in a dying condition for several days, died at 2 o'clock this afternoon.

DOUBLE TRAGEDY.

Daughter of Late Jim Brown Killed by Accident in Fort Worth.

Fort Worth, Tex., May 3.—Mrs. Annie Stoffer, better known as Miss Annie Brown, was shot and almost instantly killed at 6:45 o'clock last night by Fred Street. Street at once turned the weapon on himself and fired, death resulting in a few seconds. The tragedy resulted, it is said, from Mrs. Stoffer's refusal to permit Street to pay her attentions.

The dead woman was a daughter of the late Jim Brown, the horseman who was killed at Garfield Park race track near Chicago in October, 1892. Her brother was Gayland Brown, who was killed by a locomotive several years ago. Still another brother, Ed. Brown, has a string of horses following the racing circuit.

Her father, Jim Brown, was at one time one of the best known horsemen in this country. Prior to his engaging in the racing business he had served as sheriff of Lee county, Texas, and was a unique character.

LOOKED OVER PROPERTY.

To Be Sold From the Poor Farm Strip.

Yesterday afternoon Justice J. R. Thompson, Justice Sears and Justice Burney, went out with Messrs. Walters and Jennings, the real estate men who want to buy a strip of ground off the poor farm property to extend Jones street through to the Mayfield road, and looked over the plans of the real estate men.

The strip will run 145 feet wide from the largest end, it being funnel shaped, and will run about 200 feet long. The magistrates forming the committee accuse to think that the sale of that much property with the building of the street will be an advantage to the county and will recommend that the land be sold, \$250 being the purchase price. It is understood the property will be sold Saturday.

TWO BOYS

ARRESTED FOR CRIMINALLY ASSAULTING SMALL GIRLS.

The Police Arrest All Four to Make An Investigation.

Arthur Stokes and Charles Brown, the former aged 15 and latter 14, are under arrest charged with criminally assaulting Ada Davis age 12, and Ruby Irvin, age 11, all colored, last night about 8 o'clock, near 10th and Caldwell streets.

The girls complained to their mothers of the action of the boys and this morning the mothers informed Officer Henry Singery and wanted the boys prosecuted. Within a few hours after the report reached the police, a search was instituted and all four were taken to the city hall to undergo a rigid questioning. The police take little stock in the charge but will give the case a thorough investigation. All four live near 10th and Caldwell streets.

SEVEN YEARS

For the Man Who Falsified the Books.

Cleveland, May 3.—Cashier Spear of the Oberlin bank, wrecked by Mrs. Chadwick, pleaded guilty to falsifying the books today and was sentenced to seven years.

Wisconsin Passes Most Far-Reaching Anti-Graft Measure Ever Proposed.

Milwaukee, May 3.—A special anti-graft bill is now law, the governor having affixed his signature to it today. It is one of the most far-reaching measures against corruption ever passed, and many inquiries for copies of the bill are being received from merchants and others all over the state. It is not aimed at corruption in politics, but at grafting in business and provides that whoever gives or offers any servant or employee as gift or graft, whatever the intention to influence his actions in relation to his employer's business, or any employee who requests or accepts such a gift shall be liable to a fine of from \$10 to \$500 or by such fine and imprisonment for one year. It is claimed that this law if enforced will put a stop to the giving of tips to porters, bootblacks or waiters.

Telephone Man's Little Son Killed by Eating Deadly Strychnine Tablets

Paul, the one year old child of Mr. J. W. Jewell, an electrician for the People's Independent Telephone Co., who resides on South Fifth street near Adams, was accidentally poisoned today shortly before noon by eating tablets containing strychnine, death resulting in a short time.

The tablets were in a grip and used by one of the family for a stomach remedy. The little fellow shortly before noon opened the grip and finding the tablets swallowed several. The drug had quick effect, killing him within a short time, death coming at 12:19 o'clock.

SOLDIERS FIRED INTO MOB AT LODZ

Four Killed and Several Others Wounded by Volley.

Great Excitement Prevails in Russian Cities—75,000 Are Now Out On a Strike.

THE END NOT YET IN SIGHT.

Warsaw, May 3.—The greatest excitement prevails throughout the city and soldiers and police are guarding all the streets at Lodz.

This morning a crowd attacked a number of policemen. A sergeant was killed and a detective wounded. Soldiers fired into the crowd killing four and wounding three.

75,000 On a Strike.

Warsaw, May 3.—The industrial population are deeply exasperated over sanguinary results of Monday's encounters. Strikes have been inaugurated on a large scale here and at Lodz and in other cities are rapidly spreading. 75,000 persons are on strike in Lodz. The Cossacks are patrolling the streets of Warsaw by companies on account of danger to smaller detachments.

A great crowd which gathered in front of police stations to which corpses of those killed on Monday had been taken, demanded bodies of their dead. It was dispersed by Cossacks.

According to an official statement, the dead, not including those of wounded, who died in hospitals, numbered 31.

In Lodz, according to an official report, four women were killed.

WENT TO JURY

NAN PATTERSON CASE SOON TO BE DECIDED.

She is Still Confident of Being Acquitted of the Charge of Killing "Cesca" Young.

New York, May 3.—The tragedy in Nan Patterson's life may reach the final chapter today.

Recorder Goff this morning clinged the jury with the law and degrees of murder that could be found under the evidence submitted, and the jury retired to deliberate on the verdict.

The jury went to lunch at 2:20 p. m., today, without having agreed.

The fate of Nan Patterson will be in the hands of the jury today. Assistant District Attorney Rand completed his closing argument for the prosecution late yesterday afternoon and court adjourned.

At the close of the argument after Prosecutor Rand had arraigned her in most scathing terms, had asserted her silence in this trial was confession of guilt, had declared that her sister had lied on the stand and that her counsel had based his plea for her life on a foundation of fabrications, Nan Patterson said she felt confident that the jury would acquit her.

SHORT HISTORY OF THE NATIONAL GAME

Baseball was played as far back as 1840, and the first baseball club was organized in 1845 in New York. It was known as the Knickerbockers.

The first match game was played at Hoboken, N. J., June 19, 1846. The first rules governing baseball were drawn in New York in 1857. The first baseball league was formed in New York in 1857.

The first championship team was New York in 1858.

The New York Clipper gave the first baseball trophy in 1861.

The first salaried team was Cincinnati in 1868.

The Professional National Association was formed in 1871.

The National League was formed in 1876.

The old American Association was formed in 1881 and disbanded in 1891.

The American Association was the first to award the series to the club with the best percentage.

The reserve rule was adopted in 1882.

The Players' League formed in 1890 and disbanded 1892.

Largest crowd at game—Philadelphia, October 1, 1896; attendance, 40,000.

First glove used for left hand—Dugan Allison, Cincinnati Reds, 1896.

Catcher's mask invented by F. W. Thayer, of Harvard, 1876.

First 1 to 0 score—Chicago and St. Louis, 1875.

Longest throw known—Ed. Crane, 1884, 135 yards, 406 feet and one-half inch. Larry Twitchell, now of Columbus, beat it by two feet, but no official claim was made.

Greatest number of innings—Farago vs. Devil's Lake, July 18, 1891; score 0 to 0, twenty-five innings.

Largest number of games credited to one player in one season—S. L. Thompson, Detroit, 1887.

Record for running bases—13 1-5 seconds, Marty Hogan, Indianapolis, 1895.

First series for the world's championship—Providence vs. Metropolitans, 1894. Providence won three straight.

The American League (originally the Western League) was formed in 1894 with Dan Johnson as president.

The second longest baseball game on record was played at Boston, May 11, 1877, between the Manchester, N. H., professional nine and the Harvard college team, the score being 0 to 0 in twenty-four innings.

The third longest game on record was played at Tacoma, Wash., May 15, 1891, between Tacoma and Seattle. Tacoma won in the twenty-second inning by a score of 6 to 5.

Knows Nothing of Cut-Off. Superintendent A. H. Egan and Roadmaster F. L. Thompson, of the Louisville division of the I. C., were in the city today on business. Supt. Egan was asked about the proposed "cut-off" from Mayfield to Gilbertsville on the I. C., but stated he knew nothing of it.

Ben Boyd's Paducah Nationals yesterday afternoon defeated the Cairo Union by a score of 8 to 2. They play again today. Yesterday Paducah got 8 runs, 10 hits and 8 errors, while Cairo got 2 runs, 6 hits and 11 errors.

K. I. T. UMPIRES TO SAY "PLAY BALL"

The Kitty League Season Opens Tomorrow Afternoon.

Paducah's First Series of Games Will Be With Hopkinsville—Hundred Grounds.

HIG CROWD FOR FIRST GAME.

MANAGER LLOYD'S STATEMENT.

Manager Harry Lloyd stated that he had gotten together a fast bunch of ball players and is out after the pennant. He has been instructed to get a pennant team together, and has done all he can to meet the requirements of his employers. The team has never been able to show what it can do, but Manager Lloyd feels confident he will win, and assures the fans a pennant winning team. If at any time it is possible to make a change for the better, it will be done, and no pains or expense will be spared to give the fans the best class of sport ever seen in this city.

The Kentucky-Illinois-Tennessee baseball league will open its season tomorrow, May 4th, and from every indication this will be even a hotter fight for the pennant than last year, because all towns have strengthened wonderfully and are out for the rag with a vengeance. The Paducah fans are looking forward to the opening with much expectation and all is in readiness at Wallace park for the event.

The season at Paducah will begin with a series of three games with The Lunatics, the aggregation from Hopkinsville. Local fans feel rather leary of Hoptown because this team has always been a stumbling block for the Indians. There are many new faces on both teams, however, and it may prove that the Jonah with The Lunatics has been done away with, at least it is hoped so.

Procession Tomorrow.

Starting at 2 o'clock in the afternoon the Paducah and Hopkinsville teams will form at First and Broadway and march out Broadway to Ninth street. The procession will be headed by Deal's band and the band will also play at the park. Umpires have been placed by President Brown as follows: Albert K. Jefferson, Ind., stationed at Vincennes; Ned Zinklas, Vincennes, Ind., open at Cairo; Fred C. Kelfer, Springfield, O., open at Paducah. Kelfer arrived last night and is ready for the opening.

The Mayor to Pitch First Ball.

Mayor Yeiser has been secured to pitch the first ball over the plate and is practicing up for the event. Mayor Yeiser says he has all sorts of speed when he is "right"—to use the baseball slang, and intends to show the people that he is up "has-been" by any means.

There is not a town in the Kitty circuit with a better equipped baseball park than Paducah, and the management, through Manager Harry Lloyd has gotten together a bunch of ball players equally as good. Paducah has the best ball park and the best team in the league and the fans are waiting with expectation for the opening.

A much different sight will greet the fans this season when they arrive at Wallace park to witness the initial game from what they saw last year. Instead of the old grandstand, which on many occasions was too small to accommodate the patronage a new stand will meet their sight and it has been said by Manager Whistler, of the Memphis team, and Manager Finn, of the Toledo team, that Paducah has as nice a park as can be found anywhere. Whistler said it "skinned Memphis a city block."

The management felt the need of a more commodious grandstand and one where every convenience could be had, and readily supplied it. The stand is built in three sections with a comfortable seating capacity of 2,000. There are three sections with four avenues of entrance. Patrons may enter from the rear through two places in the middle of the stand, one on each side of the middle section, or from the rear by means of inclines. When the first two or three rows and the twelve boxes in front of the stand are filled, patrons will be asked to enter the stand by the inclines and walk down. This will fill the front part and those coming late will not interfere with those already there by walking in front of them in order to gain seats above. This improvement will meet the approval of every fan.

The cost of the grandstand with all improvements was about \$2,300, and this year patrons will be furnished with cushions the same as last

year, for five cents each. The privilege was let to Mr. Wesley Flowers who will see that every one has an opportunity to secure a cushion, having laid in an unlimited stock.

Underneath the grandstand is the refreshment stall where soft drinks of all kinds are served along with peanuts, popcorn and such goods.

Another improvement of much convenience is the clubhouse, located in the southeast end of the park. It is large and perfectly equipped at the expense of several hundred dollars.

The players are supplied with lockers and the bath room is fitted out with shower baths both hot and cold. The clubhouse is perfect and it is a pleasure as well as convenience to the players when they have finished a hard-fought battle to go in to prepare for the street.

The grounds have been wonderfully improved and there will not be the oft-heard "sun in my eyes" excuse from fielders, for the fielders will have the sun at their backs this season, the location of the grandstand having been changed. The management spent in the neighborhood of \$500 filling in the low places and rolling the diamond. The infield is smooth as possible to make it and is very fast. It has been worked on until it is the type of perfection.

Taking the improvements altogether, they cost the management about \$3,500 or possibly more to improve the park, and the money has been well spent. It not only shows that the management feels the patronage is great enough to justify such extensive improvements, but goes to show that baseball can be considered a permanent sport here, and that as long as it is possible, Paducah will be in a league.

What President Brown Says.

President Charlie Brown made a statement to the press this morning relative to opening the league and takes a very strong stand against rowdism in any way on part of players or patrons of the game.

"I am president of the K. I. T. league and not any one faction," he explained, "and do not intend to show any partiality in decisions on any question. I will treat all alike and hope perfect harmony will result. I want to make a good record and in order to do this know it is absolutely necessary that my decisions be without the least partiality, but fair in every respect, and I expect to live up to my duties. I intend to deal with all questions with honesty and among the questions which will be hard to settle is that of umpires. I have tried to select the best corps of umpires possible and whenever necessary, will not hesitate to remove a umpire. I predict that this will prove the most prosperous season the league has ever had and hope every one will work as hard to make it so as I intend to work."

Clyde Goodwin, of the Indianapolis league team, came down Saturday evening to remain over Sunday with friends at this point. Clyde has the honor of having won Indianapolis' only game so far this season. He is considered the best they have—Vincennes Capital.

Clymer of the Pittsburg team, and Warner, catcher of the St. Louis Cardinals, had a fight on the diamond day before yesterday at St. Louis because the St. Louis backstop claimed Clymer purposely hit him in the ribs in making a "slide for life" into home. The umpire put them both off the grounds and they will be heavily fined and kept out of the game for several days.

"Rube" Whitley has returned to his Knox county home, having secured his release from the New York American league team. He was in city Monday calling on friends, and relating his experiences. It is not altogether improbable he may be seen again this season in a Vincennes uniform.

Summer Terrors

Acne, Tetter Eczema Salt Rheum Psoriasis Nettle Rash

An itching, burning skin disease during the hot, sultry summer weather, is a positive terror and a veritable demon of discomfort. The intolerable itching and stinging are tantalizing almost beyond endurance, and the unsightly eruption and rough, red skin keep one thoroughly uncomfortable and miserable night and day. Eczema, Tetter, and diseases of this type are caused by acid poisons in the blood, which the heat of summer seems to warm into life and renewed activity. These fiery acids keep the blood in a riotous and sour condition, and the skin unhealthy and feverish—they inflame the pores and retard perspiration, when the whole body feels like an over-heated furnace, and the escaping poison burns and blisters like liquid fire.

TORMENTING ECZEMA.

KANSAS CITY, Mo., May, 1898.

In 1895 I experienced at times patches on the inside of my hands that itched and burned, causing much discomfort. As time went by it grew worse. I had read medicine in my early twenties (now 50 years of age) and was convinced that I was afflicted with a type of Eczema. I consulted several physicians and a number of specialists, and used several external applications, one of which was claimed to be a certain specific. I confess, however, I had but little faith in external applications, yet I used them, receiving but slight temporary relief. In February I decided to try S. S. S., and in less than a month I experienced a change for the better, and by May of that year all symptoms had disappeared, and I found myself entirely cured, and have had no return of the disease since.

THE ITCHING WAS TERRIBLE.

Escondido, San Diego Co., Cal., Oct. 1900.

DEAR SIR:—My body broke out with a rash or eruption. The itching, especially at night, was simply terrible; it would almost disappear at times, only to return worse than ever. I had tried many preparations without benefit, and hearing of S. S. S. determined to give it a fair trial; a few bottles cured me entirely, removing every blemish and purple from my body.

L. MARNO.

BAD FORM OF TETTER.

For three years I had Tetter on my hands, which caused them to swell to twice their natural size. Part of the time the disease was in the form of running sores, very painful, and causing me much discomfort. Four doctors said the Tetter had progressed too far to be cured, and they could do nothing for me. Took only three bottles of S. S. S. and was completely cured. This was fifteen years ago, and I have never since seen any sign of my old trouble.

or check the outflow of the burning fluids through the skin. Only persistent and faithful constitutional treatment can do this. The acid poison in the blood, which is the real cause of the eruption, must be attacked, and when the blood has been cleared of all accumulated impurities and restored to a healthy condition, then, and only then, will a thorough and lasting cure be effected, and for the accomplishment of all this, no remedy equals S. S. S., which contains all requirements for cleansing and building up the acid blood, and invigorating and toning up the system. S. S. S. completely and permanently eradicates every vestige of poison, thus effectually preventing a fresh outbreak of the disease.

Cases that have resisted ordinary treatment for years, yield to the purifying, cooling effects of S. S. S. upon the blood, and when rich, pure blood is again circulating through the system, the itching and stinging cease, the eruption disappears, and the red, rough skin becomes soft and smooth again.

Skin diseases appear in various forms—sometimes in pustules or blisters, sores, rashes, or red, disfiguring bumps and pimples—but all are caused by a bad condition of the blood, and for which S. S. S. is a safe and effectual cure. No bad effects can come from its use, because it contains no Arsenic, Potash or other harmful

drugs, but is guaranteed a strictly vegetable remedy.

If you are a sufferer from some summer terror like Eczema, Tetter, Acne, Psoriasis, Salt Rheum, Nettle Rash or kindred disease, write us about it, and medical advice or any special information wanted will be given without charge.

Our Book on Skin Diseases will be sent free to all desiring it.

LOTTERY CRUSADE IN SEVERAL STATES

San Antonio, Tex., May 3.—The wholesale lottery cases recently unearthed through the raids in San Antonio, Denver, Los Angeles and other cities will be prosecuted in San Antonio. Federal officers will present the entire matter to the federal grand jury, which meets in San Antonio next week.

It is understood the case will be set for trial at the ensuing May term of court in this city instead of Denver, as at first announced. Since the raids made a week ago the officers have been gathering evidence, which will be presented to the grand jury.

Kansas City, May 3.—H. M. Loeb, treasurer of the American Security Contest company, was arrested on a warrant issued by Judge Smith McPherson in the United States District Court. The federal grand jury had returned an indictment against Loeb and another officer of the company on a charge of using the mails to defraud. It is alleged that the contest company was a lottery and get-rich-quick scheme, which offered to pay several thousand dollars as prizes in a guessing contest. Loeb was arraigned and pleaded not guilty. He was released on \$1,000 bond.

KENTUCKY NEWS TOLD IN PARAGRAPHS

Two Triplets.
Newport, Ky., May 3.—Mrs. Adam Peters, of Dayton, is the mother of triplets, two girls and a boy, whose combined weight was 2½ pounds. The largest weighed eight pounds the next seven and one-half pounds and the only living one is five pounds. The parents are both rather slender and small in stature. The smaller child was ushered into the world Sunday morning, another Sunday night and the largest one, the boy, yesterday morning. The mother may not survive.

Will Marry Soon.
Hopkinsville, Ky., May 3.—Cards are out announcing the approaching marriage of the Rev. H. McMillan, pastor of Mt. Olive Baptist church, and Miss Thurns Lowry, daughter of Col. S. J. Lowry, of Harrodsburg. The wedding will take place May 8 at Olive church.

Judge F. M. McMullan Dead.
Henderson, Ky., May 3.—Judge F. M. McMullan, of Madison, Va., died here this morning from pneumonia.

Former Haags Himself.
Springfield, Ky., May 3.—Merrill Vest, a well-to-do farmer of the county, committed suicide by hanging himself in the barn of W. P. and Harry Griggaby.

The death of Mr. Vest recalls an old feud that existed in the northern part of the county for several years between the Hollands and the Vests. In this feud during a period of about ten years more than a dozen men lost their lives. Vest often brooded over this and at times was very despondent. This, together with some recent financial losses, led him to commit suicide. He leaves a wife and one child.

Godfrey Hunter Slugged.
Louisville, Ky., May 3.—Godfrey Hunter, Jr., son of former Congressman Godfrey Hunter, is at the city hospital suffering from a severe concussion on the head and other injuries.

ries. The ambulance was called to Brook and Jefferson streets and two men carried Hunter out of a saloon. He was talking incoherently. He seems to have been slugged. Only ten cents was found on him. He cannot tell what happened to him. Hunter came into national notoriety by killing a man in duels while his father was minister there.

Deaths in Graves.
Mayfield, Ky., May 3.—Mrs. Hattie Hughes Harper died at her home near Hickory Grove of heart failure. She leaves a husband, Mr. Thomas Harper and seven grown children.

Mrs. Mariah Sutherland died at her home near Breckers Mills of cancer. She was the wife of Hardin Sutherland who mysteriously disappeared from his home many years ago, and has never returned to this good day.

Want "Spotless Town."
Mayville, Ky., May 3.—A petition signed by 600 women was presented to the council requesting that body to exact ordinances to prevent expectorating on the sidewalks and public places, to clean the streets, to enforce the curfew law and to prevent boys from entering saloons.

Is Entitled to the Fees.
Frankfort, Ky., May 3.—The court reversed the Marion circuit court in the case of John B. Thomas vs. Hager, auditor. The action was on a claim of City Judge Thomas, of Lebanon, that he was entitled to fees under section 353, Kentucky statutes, for examining trials. This court holds he was entitled to the fees according to the statute, when he was elected, on the constitutional ground that an officer's salary cannot be changed during the term for which he was elected, and the repeal of the old law does not affect him.

**THE CAR WHEELS STOPPED TO
SAVE CONDUCTOR G. W.
SIMMS.**

**His Train Broke in Two and He Fell
Between the Cars—in the
Hospital.**

Conductor G. W. Simms, of Princeton, who has the coal "turn around," had a narrow escape from probably instant death yesterday morning about 11 o'clock at St. Charles, Ky., and was saved by the immediate action of the safety air valves supplied on all trains.

Conductor Simms was on a car when his train broke in two. He was on the separated half and as soon as the air hose was parted the safety valves set the brakes. The sudden jar threw the conductor off and he fell between the wheels of the trucks. Just as he alighted and before the wheels reached him, the air brake brought the cars to a standstill. Had he fallen a few seconds sooner or had the brakes refused to work as quickly as they did, he would have been run over and killed outright.

He managed to get out from under the wheels but was badly bruised about the body and his back sprained. He was brought to Paducah about 3:30 o'clock on an extra freight train and placed in the I. C. hospital for treatment.

THE FRISCO

Has Not Decided What It Will Do Yet.

Word was received by one of our most prominent citizens last week that the Frisco had not decided yet what they would do about crossing the Ohio. The letter comes from an official who knows what he is talking about so there is yet a chance for Metropolis to bring the matter before them. The letter does not deny the report that they intend to cross but it is not the sure thing that some of our neighboring cities seem to think.

What we need now is action, not by one or two citizens but by the city generally. When you talk to a railroad you have got to have your plans made and be able to tell them what your city will do. Metropolis Journal-Republican.

Stops in Paducah Enroute Home.

Mr. James Rogers, of the Riverside, Chicago, shops, was in Paducah today en route to Chicago from Owensboro, where he had been summoned as a witness in a case brought by a former employee for damages against the road. A plug in an engine fire blew out and damaged the drum. He sued the road and Mr. Rogers fought with him a model of the fire box which was exhibited in court. Mr. Rogers formerly worked in the local boiler shops and is well known.

ONCE LIVED HERE

**CHIEF ARCHITECT FOR PANAMA
CANAL AND RAIL-
ROAD MEN.**

**Was a Native of Louisville, Ky., and
Was to Have Been Married
Soon.**

A Washington dispatch in regard to the death of M. O. Johnson, supervising architect of the Panama canal, states that he once lived in Paducah, and doubtless is remembered by many of the railroad men here.

Says the dispatch:
Washington, D. C., May 3.—Yellow fever has cut short the promising career of M. O. Johnson, a young Kentuckian, who held the position of supervising architect at the isthmus of Panama. His death occurred yesterday, and was announced in a cablegram received from Gov. Davis by the bureau of insular affairs, war department, this afternoon.

At the bureau it was said that Johnson used to live in Louisville, and also in Paducah. He was about twenty-eight years old, and was formerly employed by the Illinois Central railroad.

When Mr. Wallace became chief engineer of the Panama canal he offered the young man the position of supervising architect, and it became his duty to direct the construction of all the buildings in the canal zone.

Johnson went to Panama six or seven months ago. Col. Edwards, chief of the insular bureau, said the young man was engaged to be married to a sister-in-law of the son of Chief Engineer Wallace, which made the news of his death particularly distressing.

Mr. Johnson was to return to the United States within two months to be married to Miss Wycoff, who lives at Flossmore, Ill. The official telegram stated that his body would be placed in a vault in Panama until arrangements could be made to bring it to Kentucky, where the burial will doubtless take place. Mr. Johnson is survived by his parents and two brothers, W. Carter Johnson, 418 West St. Catherine street, and J. Kendrick Johnson, of Cleveland, O., and one sister, Mrs. J. W. Darham, of Memphis, Tenn.

BOARD OF WORKS

**Will Have Plenty of Business For
Meeting Today.**

The board of public works will meet this afternoon and go over plans for the improvement of Jefferson street and Kentucky avenue if the city engineer has them all finished.

Mr. Robert Richardson, draftsman in Engineer Washington's office, is working hard getting the plans ready and will probably finish by this afternoon.

The board also has several matters to look after which were referred by the legislative boards. Among them are for improving alleys between Husbands and Hochman, 8th and 9th streets, and 5th and 6th, this and Tennessee streets.

TO START FURNACE.

**Reported That One in Lyon Will Be
Operated After Many Years.**

Messrs. George W. Dixon, of Grand Rivers, and W. P. White, of Cadiz, have bought the old Centre furnace in Lyon county, and will put it into operation at once to manufacture charcoal iron. The furnace has not been in operation for many years, and as a result of the purchase several families will move from Grand Rivers to the Centre furnaces.

Engineers Meet at Chicago.

Mr. J. A. McCann, the well-known engineer, and chairman of the local protective board of engineers, has gone to Chicago as a delegate to the joint protective board of railroad engineers, which holds a thirty days' session there to decide on rules and regulations and wages for engineers on the Illinois Central for the ensuing year. There will be delegates from the entire I. C. system.

IMPORTANT TO OUR DEPOSITORS.

It should be remembered that money deposited with this bank before the 5th of the month draws interest from the 1st of the month, while money deposited after the 5th of the month draws interest from the 1st of the following month.

By being a little careful when you deposit you may be able to save a month's interest. Of course it would be to our interest for you to deposit after the 5th of the month, for then your deposit would only draw interest from the 1st of the next month, but we are not running this bank for our own benefit exclusively.

What we would like particularly to impress upon you is the fact that you can deposit any amount of money from one cent up after your account is started. When the first of the month rolls around, some of our depositors, if they haven't much to deposit, wait another month before depositing. That's not right.

Get the money in bank to your credit as soon as you can, in any amount, at least once every month, preferably on the first on the month.

E. W. Stobert, who resides at 9th and Jackson streets, is lying at his home badly hurt about the body and with a broken ankle, the result of an accident at Cumberland river at noon yesterday.

Stobert is not a railroad employee and was riding on a freight train. He alleges that a brakeman shoved him off the train and in alighting injured himself.

He was picked up and brought to Paducah on an extra freight and taken home. Railroad physicians attended him and his injuries are not thought to be very serious.

Federal Court at Henderson.
Henderson, Ky., May 3.—Two cases went up from the Henderson circuit court were tried in the United States court here. Peter Cohen was given a verdict for \$5,000 against the Illinois Central railroad and a verdict was given for the defendant in the case of the Third District Agency against Henry McClure. Cohen was employed as a fireman on the Illinois Central when a plug in the boiler of the engine on which he was working blew out. He was horribly scalded and the company was for \$10,000 damages. Henry McClure is the executor of the estate of Mrs. McClure of Corydon. The plaintiffs were employed

to audit the books of the Anchor Rolling mills at Corydon. The plaintiffs sued for \$3,000 as the fee for auditing the books. The judgment saves the McClure estate paying the fee. Judgment for the defendant was given on peremptory instructions.

RIVERS AND HARBORS COMMITTEE.

A number of people seem to have a mistaken idea about the visit of the rivers and harbors committee to Paducah. The money desired to be raised—about \$600, is not to pay for entertainment, but is to be contributed towards the expenses of the trip. For several years an effort has been made by business men from Paducah to Cairo to get Ohio river improvements which will do away with the long suspension of navigation, often from one end of the river to the other, during low water.

The rivers and harbors committee of congress has usually had what is considered more weighty matters on hand, and has paid no more attention than absolutely necessary, to the Ohio river. The Ohio River Improvement Association was organized some years ago to assist in the work of getting a nine foot stage the year around. It has induced the rivers and harbors committee to make a trip down the Ohio and see what a magnificent stream we have, meet the people and better appreciate what we want. The committee is coming, and is coming as guests of the Ohio River Improvement Association, which thus goes to enormous expense—something like \$12,000. The members of this important committee are guests of the association, and every cent of the expenses must be paid by the association, which is composed of cities along the Ohio.

Cincinnati, Pittsburg, Louisville and other cities have done their part, paying the largest part of the expense. Cairo has given \$500 without a protest, and Paducah should easily give \$600.

It is to be hoped that the reputation of the city for progress, generosity and hospitality will be fully sustained in this instance. We can't afford to do any less than the right thing.

Before Paducah orders any more brick streets, the august board of works and members of the legislative boards should go to other places and find out why brick streets there are being torn up and asphalt or bluthtic streets put down in their places. We might profit by their experience.

We can't afford to let Cairo laugh at us. Cough up that \$600 immediately for the trip of the rivers and harbors committee. We can do anything Cairo can and can do it better.

Judge Fayter has not resigned as appellate judge. He would be foolish if he did. All he has to do is to hold his job and let the other fellows howl themselves hoarse.

START MADE

TOWARDS GETTING A BUGGY FACTORY FOR PADUCAH.

Meeting Held Today and a Committee Appointed to Investigate.

Mr. S. G. Hunsacker, of St. Louis, is in Paducah in connection with the proposed buggy factory for this place. He is a brother-in-law of Mr. Russell Gardner, of the Hanner Buggy company, St. Louis, who for several years has contemplated the establishment of a buggy factory here.

A meeting was held this morning with members of the commercial club, and a committee composed of Messrs. Charles Wellie, Tom Leech, Will Hummel and John Little was appointed to take the proper steps to ascertain how much stock could be placed in Paducah.

The amount to be placed here was not definitely agreed upon, but the committee will go to work at once. It is likely about \$50,000 will have to be subscribed, the total amount of the investment here to be about \$100,000.

LIVELY FIGHT

In Which a Number of People Were Hurt.

Clarksville, Tenn., May 3.—Reports of a serious difficulty in Todd county, near Guthrie, Ky., have reached this city. Coleman and Granville Jordan, farmers, were badly beaten up by tenants on their place. The two men are brothers, and were hauling wood to the homes of some croppers on their place. It is said that the children of the Jordans and some of the croppers engaged in a quarrel Saturday morning and that when the Jordans went to the home of the Whites, where the trouble occurred, the matter was again brought up. Five brothers, Tom, Malcolm, Sylvia, Herman and Eunice White, Ed. and Ben Trainer, Tom Bell and a woman are said to have jumped on the Jordans. Coleman Jordan had his throat cut with a razor, a gash requiring some fifty stitches to close being inflicted. The woman, whose name was not learned, is said to have picked up an ax and struck Granville Jordan on the head, rendering him unconscious. Coleman Jordan is in a serious condition, but it is thought he will recover. The woman was arrested and taken to Elkton. The men are said to have skipped out.

AT THE ALTAR.

Helen Keller's Instructors Terminate Their Romance.

Boston, May 3.—Culminating the romantic mutual interest they took in Helen Keller, the famous blind, deaf and dumb girl, Miss Anne Mansfield Sullivan, her teacher, and companion and John Albert Macey, instructor in English at Harvard, and one of the editors of the Youth's Companion, were married at Miss Keller's home at Wrentham, at 2 o'clock yesterday afternoon.

Mr. Macey has had critical oversight over much of Miss Keller's literary work and he wrote the introduction to her book, "The Story of My Life." The ceremony was performed by the Rev. Edward Everett Hale, D. D. Miss Keller, accompanied by her mother, who has been visiting her at Wrentham for sometime, will leave immediately for the south, spending several weeks at her old home in Florence, Ala., and returning north in two months.

K. OF P. CONFERENCE

Will Be Held in the City This Afternoon at 3 O'clock.

This afternoon at 3 o'clock the district K. of P. meeting will begin and there will be many delegates from Clinton, Hardwell, Fulton, Wickliffe and Princeton.

Among the prominent members of the order here are Grand Chancellor W. F. Scheurman, Carrollton, Ky.; Grand Keeper of Records and Seal John W. Carter, of Owensboro, Ky.; Grand Master of Exchequer Jule Plummer, Newport, Ky.

Tonight at the K. of P. hall the rank of Page will be conferred on a great many candidates and all knights are invited to attend.

THE PALMER'S MASCOT

Orphan Kitten Is Being Raised by the Office Force On a Bottle.

The Palmer house has a new mascot. It is a tiny kitten whose mother or left it under the hotel counter. She looked after it pretty well for a day or two, but then suddenly disappeared and has not been seen since. The supposition is she was killed.

After the little ball of fur had "newed" and squirmed for a day or two without anyone paying any attention to it or knowing that its mother was missing, the telephone girl discovered it, and the clerk sent it to the kitchen and had a bottle rigged up and filled with milk.

For three days the kitten has been nursed on a bottle, and is living high and doing well. It now has its eyes open and is getting so fat that it can hardly move about.

Clerk Adams says it is the first kitten he ever heard of being raised on a bottle, but that he is going to see that this one gets a square deal.

OLD HOSPITAL

May Not Be Sold for Some Time by the City.

Mayor D. A. Yeiser says that the old city hospital, near Sixth and Elizabeth streets, may not be sold for some time, if at all. Since it has been ordered that money for furnishing the new hospital be borrowed, it is not necessary to sell the old building.

Mayor Yeiser says that some people seemed to think the city had to sell the old hospital and for that reason they were disposed to offer less than the property is worth.

As the city does not have to sell the property now, however, it will hold it indefinitely, or until it gets a good price.

IN THE COURTS

Divorce Suit Filed.

Edward Redd has filed a divorce suit against his wife, Emma Redd, alleging abandonment. They were married in 1889 and separated several days later, the defendant being alleged to have abandoned the plaintiff.

Circuit Court.

The case of Mrs. M. A. Miller against the I. C. resulted in a verdict for \$100 damages. She was injured at Epherson by her hand being mashed in a car door.

D. T. Stuart has filed a motion with reasons for a new trial in his case against the city and contractors Gardner and Robertson.

The case of the Illinois Life Insurance company against C. E. Earhart and others was dismissed without prejudice.

The case of C. W. Cherry against the Merchants-Horton Bank Co., was on trial this afternoon in circuit court. He sues for \$2,000 damages for the loss of two fingers and an injury to a third. The case will likely be finished this afternoon and following it will come the case of Jas. H. Huff against the St. Bernard Mining Co. for damages amounting to several hundred dollars. The plaintiff claims the Mary N., a boat of the defendant, ran into his gasoline boat James R. and damaged it.

Police Court.

Police Judge D. L. Sanders had a light docket this morning. Will McCormick and Charles Grosshart were fined \$10 and costs each. Reed McCormick continued and Will Romaine and Jim Doolin dismissed of a disorderly conduct charge. They are white, John Riley and Elmer L. Drake, white, were fined \$1 and costs each for being drunk.

Robert Black, of Paducah, today filed a petition in bankruptcy here with about \$1,000 liabilities and no assets.

KIDNAPPED COUPLE

And Demanded Ransom of \$50,000—Gets Ten Years.

Des Moines, Iowa, May 3.—August Leuth must serve ten years for one of the most remarkable crimes in the annals of Iowa as a result of the affirmation of his sentence by the supreme court today.

He was convicted on a charge of kidnapping a wealthy farmer and his wife and secreting the woman in an abandoned school house near Tipton, while he sent the farmer back to the bank after a ransom of \$50,000. The woman escaped and her husband returned with the sheriff's posse.

THIRTY DAYS

IS THE PRIZE DRAWN BY THE CRAZY MAN ASTOR.

He Is Well Known in Memphis and Has Been in the Asylum at Bolivar.

Joseph Astor, who is beyond a doubt demented, was this morning given thirty days in the county jail for a breach of the peace committed two days ago at the farmhouse of Mrs. Holly Hays, four miles out the Cairo road.

Astor was tramping through the country and stopped at Mrs. Hays' for food but the lady had none to give him. Astor then began cursing and abusing Mrs. Hays and when she refused him an old pair of trousers, pulled a knife and started after her, saying he intended killing her.

Mrs. Hays fled and her husband later caught Astor and brought him to town.

"I did not curse the lady," Astor declared this morning when tried, "but did curse out in the road and I think anyone would curse if they were hounded like I am for killing McKinley when I did not do it."

"Why those wise philosophers took my brains out down in the Holliver Tenn., asylum because they thought I had more than McKinley, and I had to replace them myself, too."

The court did not think Astor was excusable and assessed a fine which was not paid, the defendant having to go to jail for thirty days to serve it out.

It is probable that in the meantime the authorities will investigate Astor and see if he is a fit subject for the asylum where he admits he spent eleven months.

The Memphis Commercial Appeal of today says:

"Stephen Astor's face is familiar to the officers at the local police station. He has been arrested upon numerous occasions and has been confined in the Shelby county poor and insane asylum. At one time he was sent to the Western hospital for the insane at Bolivar, but was only retained there for a few weeks.

"On February 18, of the present year, he was arrested by Patrolmen Simpson and Mason and locked up on the charge of loitering. His name, upon the docket is opposite the unlucky number '13' Feb. 20. He was fined \$25 and sent to the city workhouse. After remaining there for several days he was released and nothing further was heard from him, until the information that he had been arrested at Paducah, Ky. When Astor was locked up Feb. 18 he said he lived at 10 Calhoun street."

GOOD SHOES

That's an ordinary subject—but few men realize the force of its meaning.

The vast assortment of different shapes and makes are confusing in their variety.

Foot-form lasts, perfect materials, style, comfort and service.

These are the inducements in the "FLORSHEIM", which make shoe buying more than a mere matter of form.

These points of excellence so noticeable in custom made footwear distinguish the "FLORSHEIM" among shoes.

People and Pleasant Events

Rehearsal Last Night.

The first rehearsal of the plays to be given at the Kentucky theatre on next Monday evening under the auspices of the woman's committee of the Y. M. C. A., was held last evening.

They are very clever comedies and the parts are selected with special eye to giving them with spirit. "Sunset" is one of Jerome's farces and will be played by Mrs. James Young, formerly Miss Flora May Clark, and Miss Anne Bird Stewart, in the leading roles, supported by Dr. Olivia Nelson, Mr. Robert Caldwell, Mr. E. J. Paxton and Mr. Harry Collins.

Dr. Olivia Nelson, Mr. Robert Caldwell and Mr. E. J. Paxton will give "My Uncle's Will," as an after piece.

It is some time since a Paducah audience has had the opportunity to see Mrs. James Young, and the occasion will be eagerly seized. Mrs. Young is at home visiting her mother, Mrs. S. H. Clark on Clay street, but although resting from her arduous winter work, has graciously consented to aid so good a cause in her native town. The others in the cast are popular favorites among our home talent, and will score another success on Monday evening.

A Family Reunion.

Mrs. Lizzie Regan, of St. Louis, Mrs. John Roberts and W. H. Ashley, of Paducah, Mr. and Mrs. Abner Henderson, of Jopka, had a family reunion at the home of Dr. and Mrs. J. A. Orr, last week. This was the first time in six years that any of the sisters or brothers had seen their sister, Mrs. Regan.—Metropolis Journal-Republic.

Church Musicals.

The Young Ladies' Society of the First Presbyterian church will give a musical and social entertainment in the lecture room of the church this evening. The program includes an attractive array of talent. Light refreshments will be served and a free-will offering taken.

Organ Recital This Afternoon.

Mr. Harry Gilbert's seventh organ recital will take place this afternoon from 5 to 6 o'clock at the First Christian church. Miss Hazel McCandless is the soloist.

Sans Souci Club.

The Sans Souci club is entertained this afternoon by Miss Maude Terrell and Miss Hattie Terrell of Kentucky avenue.

Mrs. Sallie Gardner, of Paducah is visiting Mrs. Wiltz Griffith. Miss Mattie Stephens has returned from visiting her sister, Mrs. Elbert Britton, of Paducah. Mrs. Terry Coleman returned to Paducah today after a visit to the family of H. H. Coleman, west of the city.—Mayfield Messenger.

Mr. and Mrs. Duke Burgess, who have been in the city for a few days, guests of Mr. and Mrs. E. S. Beaumont, left today for Louisville. They were accompanied as far as Paducah by Miss Mary Blossom Beaumont, who will visit friends at that city.—Mayfield Monitor.

Misses Nellie Choni, Addie Arnesman, Minta Armstrong and Nina Slinnert were visitors in Paducah last Saturday. They were accompanied on their return by Miss Eva Matthews who will visit a few days with Thomas Wallace and family.—Metropolis Journal-Republic.

Mrs. S. E. Lam has gone to Central city to reside.

Miss Geneva Young has returned to Martin, Tenn., after a visit to Mrs. C. C. Covington.

THE CONFERENCE APPOINTMENTS MADE

Bishops Hold Important Meeting at Nashville.

The Memphis Conference to be held at Mayfield, Ky., and Bishop Duncan Will Preside.

SOME OTHER CONFERENCES.

Nashville, Tenn., May 3.—The College of Bishops of the Methodist Episcopal church, South, is in annual session in this city, with the following bishops present: Rev. A. W. Wilson, of Baltimore, chairman; Rev. W. W. Duncan, of Sparta, S. C.; Rev. C. H. Galloway, of Jackson, Miss.; Rev. E. H. Hendrix, of Kansas City; Rev. J. S. Key, of Sherman, Tex.; Rev. W. A. Candler, of Atlanta, secretary of the college; Rev. H. C. Morrison, of New Orleans, and Rev. E. E. Closs, of Dallas, Tex. Bishop A. Coke Smith, of Norfolk, Va., is in the city, but is sick at the home of Dr. W. E. Tibbitt, of Vanderbilt University.

The meeting is devoted to a review of the work done during the past year.

The selection of the bishops to preside over the various annual conferences is, also, made at this time, which is always looked forward to with especial interest by the churches and ministers of the denomination.

At the session which was held last night the plan of visitation was adopted. The Memphis Conference, which includes Paducah, meets at Mayfield, Ky., Nov. 15, and Bishop W. W. Duncan, of Sparta, S. C., will preside.

The Louisville, Kentucky and Illinois conferences will be held at Louisville, Covington and Marion, Tennessee and Bishop A. Coke Smith, of Norfolk, Va.

Bishop E. H. Hendrix, of Kansas City, who presided in Paducah several years ago, has the Western Conference, and Bishop C. B. Galloway, of Mississippi, is sent to Japan, China, and Korea.

a severe illness. His many friends are glad to see him well again. Attorney C. C. Grassham has returned from Eddyville, where he had gone on business, and tomorrow will go to Morgantown, Ky., to attend court.

WANT DAMAGES

For Alleged False Arrest and Prosecution.

The following suits were filed in circuit court today:

Oliver Miller against T. S. Vickers and A. J. Pritts, \$10,000 damages for alleged false arrest.

Dock Foster against T. S. Vickers, \$10,000 damages for alleged false arrest.

Both plaintiffs were arrested several months ago for the alleged theft of 19 sacks of corn from the defendants who own farms in Illinois. The men were held over from police court to the grand jury, charged with grand larceny, but the grand jury returned the minutes of the examining court marked "dismissed."

They allege they were maliciously prosecuted and seek to recover \$10,000 each damages.

FOUR MONTHS.

Proprietor of Alleged Fake Law School Refused New Trial.

Nashville, Tenn., May 3.—Federal Judge Clark refused to grant motion for a new trial in the case of William Farr, the alleged law-school fake, and who was recently convicted on the charge of using the mails for fraudulent purposes.

Farr was sentenced to four months in prison and to pay a fine of \$500 both of which were suspended and a fine of \$25 assessed on his promise of good behavior.

HARGIS CASE

Nearly Finished—May Go to the Jury Tomorrow Night.

Lexington, May 3.—The testimony in the case of Judge Hargis was brought to a close today and Judge Parker and the attorneys retired and began a preparation of instructions to the jury. Arguments began this afternoon. Case may possibly reach the jury Thursday night.

Mail Carrier Dies at Work.

Lancaster, Ky., May 3.—T. J. Hatch or a mail contractor between here and Danville, died on his way five miles from this town of apoplexy. He was sixty-eight years old and an ex-Confederate soldier. Capt. Sam Salter, aged seventy-two, a highly respected citizen, dropped dead at Bryansville today of apoplexy. He leaves a wife.

He who drops a penny in the collection plate generally expects a \$5 person in return.

TIPS.

It's not mere whim or caprice—it's simply human nature to be always wanting something! And it's a sign of good mental health—just as a vigorous appetite is a sign of good physical health. Of course appetite would be an embarrassment if we could obtain no food; and that "want something feeling" would be a calamity if we could never satisfy it. But you may have noticed that Want Advertisers are not only "always wanting something," they are "always getting something."

VETERAN RIVER MEN FIGHT OVER A PILOT'S DOG STORY.

Capt. Hunter Ben Jenkins and Capt. J. E. McCullough Were the Belligerents in the Duel.

The following story from yesterday's St. Louis Globe-Democrat will be read with amusement and interest by river men in this section, as both the principals in it are well known here:

Two veteran river men engaged in a fierce fight in the hallway of the building at 110 North Fourth street yesterday. They were Capt. Hunter Ben Jenkins, aged 70, and Capt. J. E. McCullough, 59. The battle followed a challenge to fight a duel, which was written by Capt. Jenkins on Saturday and delivered in person by him to Capt. McCullough. The latter accepted the challenge, and after scanning its contents tore it to pieces, threw it away and laughed at Jenkins.

Yesterday the two men met at the Planters' hotel, Jenkins according to Capt. McCullough and others who saw the affair, was very abusive. McCullough, wishing to avoid trouble left the hotel and started to the rooms of the pilots' association, across the street. Jenkins followed, threatening an attack.

Answers Blow With Blow.

On reaching the hallway, Jenkins struck McCullough with a heavy cane cutting a gash in his head. McCullough then pounced upon Jenkins and floored him with a blow from his fist, cutting a gash in Jenkins' head. Both men bled profusely. They were arrested and, after being taken to the dispensary, were escorted to central police station. Both were bailed out soon afterward by Thomas Kilteen.

In addition to his advanced age, Capt. Jenkins has just recovered from a serious illness. About four weeks ago he was confined to his room with erysipelas and for several days fears were entertained as to the outcome.

The trouble between the two river men originated over an old river story told by Capt. Arthur Miller in the rooms of the pilots' association a few days ago concerning experiences on his first trip up the Missouri river. Miller said that on the trip he was with an old pilot who had not been on the river for twenty-one years. On passing a hollow near Cottleville, he said a yellow dog ran out to the river bank to bark at the steamer, whereupon the old pilot declared that it was the same animal which he heard barking at the steamers twenty-one years before, as he well remembered the sound of the dog's voice.

Denied Some Details.

Capt. Jenkins took exception to some details in the story, and is said to have abused Capt. Miller. The latter, being much younger, made no defense, but while Jenkins was abusing Miller, McCullough advised Jenkins to conduct himself more circumspectly while in the rooms of the pilots' society. McCullough advised that if the two had troubles to settle they go elsewhere. When they met Saturday Jenkins accused McCullough of having ordered him out of the rooms of the public society.

NEW PRINCIPALS ELECTED BY BOARD

Two From Other Places—Prof. Rouse Re-elected.

Board Says Property for Howlandtown School—Teachers' Election Tuesday.

TRUANT OFFICERS DISCUSSED

New Principals.

John A. Jackson, Bardwell, Ky., Lee building.
A. M. Rouse, Paducah, Ky., Langstaff building.
W. P. Johnson, Millersburg, Ky., Longfellow school.

The regular meeting of the board of education was held last night, and three principals were elected and it was decided to elect teachers at a called meeting next Tuesday evening.

It was decided to name the new school house in Mechanicsburg "McKinley" and a site for the new Rowlandtown school was decided on.

The matter of electing truant officers for Paducah was discussed but action was deferred until July.

Trustees Hacon and Walston were the only trustees absent at the regular meeting of the board of education at Washington school last night.

Supt. Leib's monthly report showed that April was a good month for attendance, scholarship and health.

The superintendent recommended that teachers for the ensuing year be elected immediately and that the law regarding school attendance be rigidly enforced.

The average attendance of school children in Paducah is about a third of the total number of school children shown by the census.

Supt. Leib reported that there would be no commencement exercises this year and for that reason he recommended some sort of exercises for the close of school.

He recommended that the Prange's company's books be used for the normal school because they are the cheapest and best books and the house agrees if its books are used to send an instructor free for three weeks.

Treasurer's report: On hand April 1 \$12,718.98, received since, \$411.50, \$4,203.73; balance, \$8,566.20.

The monthly pay roll amounting to \$4,014.65, miscellaneous bills and the cost of taking the school census amounting to \$327.27, were allowed.

The Mechanicsburg school was reported well under way, with everything in readiness for corner stone, laying Thursday.

The election of principals of the schools, on recommendation of the committee, resulted as follows:

John A. Jackson, Bardwell, Ky., principal Lee building.

Albert M. Rouse, re-elected, Langstaff school.

W. P. Johnson, Millersburg, Ky., elected principal of the Longfellow school to succeed Prof. Rouse, who was transferred to Jefferson building.

The various pieces of property offered for a school in Howlandtown were discussed and the one owned by Joseph L. Friedman, a block in area was selected and the board decided to close a deal for it. It is the same piece of property the committee closed a deal for sometime ago for the new Rowlandtown school, and some of the trustees repudiated the agreement later in the board, after everything had been completed for the transfer of property. The price of the block is \$3,000, \$1,000 cash in the remainder in one and two years.

The matter of electing teachers was discussed and it was finally decided to elect them next Tuesday night. Some of the trustees thought if the teachers are elected now they might get it into their heads that they had the job nailed down and did not have to attend the normal school in the summer, but Supt. Leib said some of the best teachers have offers of positions elsewhere and want to know whether to accept or not. They prefer to remain here but do not want to abandon a certainty for an uncertainty. It was then ordered that the committee on examination and course of study prepare a list for recommendation to the board and it is likely the list will be ratified.

The question of adopting new drawing books for next term was referred to the committee on examination and course of study.

The question of what rule means stipulating that "two-thirds" vote is required to carry certain things in

the board, was referred to a committee composed of Chairman Williamson, Trustees Rutherford and Supt. Leib. It is not clear whether the rule means two-thirds of the members or two-thirds of those present and voting.

The question of electing truant officers for Paducah was discussed. The law has been in effect over a year now, and truant officers, under the state law, should have been elected last July, but never have been elected at any time. The statute requires every city to have one truant officer for every 3,000 children shown by the census which would give Paducah two. The duties are to see why every child between the years of 7 and 14 is not in school and require them to attend. The board after discussing the matter last night, decided to leave it open until July. No appropriation has been made for truant officers this year, but the board may be able to obtain the necessary money.

The matter of having exercises of some description at the close of the school year was left to Supt. Leib with power to act.

The action of Chairman Louis Peter of the committee on schools, in contracting at a cost of \$114 for connecting the Mechanicsburg school with Mr. W. R. Jones' private sanitary sewerage line to Island Creek, was ratified.

The building committee was ordered to proceed to sell the school now in use in Mechanicsburg, but not to take less than \$1,000 for it. Mr. J. K. Bondurant, it is understood, is now ready to pay that much for it.

It was decided to name the new school in Mechanicsburg "McKinley" in honor of the late president. The old school is called "Langstaff."

The matter of annually requiring a vaccination certificate from pupils who enter school was referred to a committee. Complaint has been made that pupils are required to show a certificate of successful vaccination at the beginning of every year, and if they haven't one or have lost it, they must go pay a doctor for another.

It is desired, to have some plan that will enable the certificates to be filed and retained for reference by the school authorities.

The school census, showing 6,195 names, was reported by Secretary Pitcher.

The board then adjourned.

OIL CAR

Is to Be Sent Out Every Month by the Illinois Central.

The I. C. has taken another step in economy and will hereafter send a supply train out monthly over the Louisville division of the road and do away with making Paducah headquarters for oil in the way it has been.

At present cans are sent to Paducah from all stations on the division, for oil. The cans are dented, broken and last but a short time by being sent over the road, and the expense from this cause is very great in the long run. The road decided to make a change and started out yesterday to supply stations from a car.

A large car was sent out on a slow local train in charge of Wiley Crisp, colored, who has been working in the oil house. The car is supplied with many barrels of oil and the stations are supplied from the car, giving enough to last the month. It will require a few days to make the trip from Paducah to Louisville, but only one trip monthly is made and this improvement will be a great item of saving to the road.

A PAIDIAN NOVELTY.

At last a novelty has arrived in the way of bareback riding. It even goes so far as to interpret a dramatic sketch a-horseback. To The Great Adam Forepaugh and Sells Brothers' Circus is due this refreshing innovation. A gaily dressed and buoyant party of young people on their way to the "French Derby," in a radiant fashionable park drag, drawn by four spirited horses, are the participants in this unique and thrilling act. These smartly gowned young people perform wonderful feats in an apparent spirit of youthful abandon. They toss each other from the farthest seat of the splendid trap to the foremost end of a twirling ball, and revolve from each other's heads and shoulders to an upright position upon the swiftly moving vehicle or horse. They pass each other high in the air in twisting evolutions from wagon to horse and horse to wagon, dynamic turns of the most difficult and rarely are enacted by them in these hazardous positions with the same graceful ease and dexterity of the most thrilling work of world-renowned performers upon the secure foundation of the ground. This act is distinctly new and sensationallly startling, and is called "Oh the Way to the Grand Prix Race, Paris."

Here Wednesday, May 10.

Mass Convention in Marshall. The Republicans of Marshall county will hold a mass-convention the first Monday in August to nominate a county ticket to oppose that of the democrats. It is likely that Thomas B. McGregor, of the law firm of Oliver & McGregor, will be nominated for county attorney and Miss Mollie Trease, a popular school teacher, will be asked to run for county school superintendent.

THEY NEVER FAIL.

That is What They Say About Them in Paducah.—And It Is, Therefore, Reliable.

Another proof, some more evidence, Paducah testimony to swell the long list of advocates who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of the claims made for that remarkable preparation:

J. R. Honk, of 1027 South Fifth street, says: "I do not want to understand that Doan's Kidney Pills, procured at Dullais, Kolb & Co's drug store, have radically cured me of attacks of backache, but I have been benefited incalculably by the treatment. I never expect to be free from kidney complaint, for I have suffered excruciatingly when the attacks were at their height. I could not stoop without pain; could not straighten after stooping without twinges and often was unable to turn in bed without actually groaning. Any remedy which gives the relief that Doan's Kidney Pills have given to me deserves the endorsement of the public."
